Birding at Natural Tunnel State Park

Few places can match Virginia's abundance and variety of birds. Natural Tunnel has a birding and wildlife trail. Stock Creek Trail and other trails near the forest edge are great places for birding. **It's not unusual to count more than 20 species over just a few hours.** Migratory birds are very common in the Fall season.

See 5 States at High Knob Tower!

**Breathtaking views at nearby
Powell Mountain.**

**Natural Tunnel State Park is
located in western Virginia.
There are many beautiful
landmarks nearby!**

There are so many things to do while

You will certainly have free time to
explore this beautiful area. So why
not take your adventure with
another family or two, and get to
know someone new! What a great
way to fellowship & bond.

The background of the image shows the silhouettes of five people standing against a bright, hazy sky at sunset or sunrise. The people are positioned across the frame, with their arms raised in a gesture of celebration or unity. The sky transitions from a deep blue at the top to a warm orange and yellow near the horizon. The overall mood is one of joy and community.

Friends & Family

While this event is for our AOY family to gather from the four corners of the earths, we understand there may be those who wish to bring a loved one with them to our event.

Furry Friends are WELCOME!

This venue allows our furry family members to join us in all the lodging options except the Yurts.

They are however not allowed in the indoor meeting room areas or kitchens.

AFFORDABILITY IDEAS

Tax Return Refund

If you are still expecting a Tax Return, consider setting-aside your Tax Refund to offset or pay off your Feast Costs.

Tent Site

If you desire to rough it in true Sukkot fashion, save money by booking a campsite instead of a cabin/room!

Rooming Together

The Cabins and Lodge rooms allow a maximum capacity of 6 people, With roommates, the more you have, the more your grand total reduces, making the gathering more affordable for all parties in your cabin or lodge room.

Staying Fewer Days

You can save money by staying fewer days on a RV or Tent Site or in a Yurturt. It may be possible to do this with cabins & lodge rooms based on availability.

Request Sponsorship

For those in financial need, you may request Sponsorship. During a recent survey, there are those who said they would consider sponsoring others. Both the Sponsor and those receiving sponsorship will remain confidential and private.

Roommate Meeting After Q&A

After this presentation, stay on the line if you are interested in having a roommate, for the purpose of identifying others who are interested in having a roommate. We will then publish a “Seeking a Roommate” List of each person’s name & state.
